Coordinator, Families Outside**

The Work of Families Outside

Families Outside is the only national charity in Scotland that works to support the families of people involved in the criminal justice system. We work to mitigate the effects of imprisonment on children and families - and consequently to reduce the likelihood of reoffending through support and information for families and for the people who work with them.

Lindsay Jessiman is the Regional Family Support Coordinator for the North East. She covers Aberdeen City and Aberdeenshire working between a base in the City and a base at HMP Grampian in Peterhead.

Members and non-members alike are welcome.

Solicitors & Advocates, Police and Social Workers and other professions may claim CPD time for attendance at SASO lectures - registration at the event will be required.

Please communicate any enquiries regarding the presentation or SASO in general to:

The COSTA Coffee Shop is open in the Sir Ian Wood Building until 10pm.

The aim of SASO is to bring together people with a wide range of experience in the criminal justice system so that by listening, talking and sharing experience, a better understanding of our common problems will develop.
