Speaker:

Pete White – Positive Prison? Positive Futures ...

Pete White is founder and Chief Executive of Positive Prison? Positive Futures... a group of people who have been subject to punishment. The main aim of PP?PF... is to highlight and support the various ways in which people within the criminal justice system in Scotland can realise they can make positive decisions for themselves to move away from offending on their return to their families and communities.

In addition to working within prisons Pete sits on Scottish Government boards and committees and is a trustee of the Howard League Scotland and Vox Liminis. He is also a member of the Executive Governance Group of the Scottish Centre for Youth and Criminal Justice, and was elected a Fellow of the Royal Society of Arts in 2014.

Members and non-members alike are welcome.

Solicitors & Advocates, Police and Social Workers and other professions may claim CPD time for attendance at SASO lectures - registration at the event will be required.
