SACRO Senior Managers: Fearless &Bright Choices

entitled

**“Hard to reach, easy to ignore: designing  
and delivering public protection services for  
less visible communities”**

at

Edinburgh Sheriff Court, Chambers Street,  
Edinburgh

One size does not fit all and for some communities a more targeted and bespoke approach to delivering services is needed.

This talk will reflect on Sacro’s experience of delivering services to “hidden” communities in the context of domestic abuse and honour based violence.

Consideration will be given as to how we can engage these groups in our systems and services; how to manage the unique risks these groups may encounter effectively; and how to ensure that our responses help reduce the risk, not generate additional risk.

**This is an open meeting, free  
to all with an interest in  
crime and criminal justice.**

**1½ hours of CPD time may  
be claimed by Advocates,  
Solicitors and Social  
Workers.**

**Registration at the event  
will be required for the first  
two professions.**

**You do not need to be a  
member of SASO to attend.**
